MLGA INFORMATION

MCCALL LADIES GOLF ASSOCIATION MEETINGS: Monthly business meetings and/or monthly communication letters shall be held or sent electronically each month, May-September.

SEASON-END LUNCHEON & MEETING: Awards, election of officers and other recognitions will take place at the final membership meeting in September.

DUES AND FEES: The annual dues for members shall be \$20.00 which are payable by June 1st. Entry into seasonal competitions should be paid by your first day of play. Optional Seasonal competitions include Ringers \$10 & Hole-In-One \$5.

If McCall Golf Course is your home course sign up online at www.idahoga.org to pay both your \$40 IGA dues and \$20 MLGA dues. Members who pay IGA dues through another club in Idaho must pay MLGA dues directly to the MLGA treasurer via mail, Venmo or cash. Members with a home course outside of Idaho will also need to pay the MLGA treasurer directly.

THURSDAY PLAY-OF-DAY: 8:30AM check in, Shotgun Start is 9AM. A weekly email will be sent out to members to notify when Play of the Day sign up is open. Sign-ups will close at 5:00PM on Tuesdays. This will allow the MLGA to inform the Pro Shop 24-hours in advance regarding the number of reserved tee times we will be using and return any unused tee times to their public inventory. If you have questions contact Eva Prince at 520-591-6242 princetcsn@gmail.com

Any member is encouraged to play on regular MLGA play days. Participation cost is \$5.00 per day and can be paid each week. You can also pay in advance for games you play during the entire 2024 season. (\$55.00 for all games) **Payment should be made by check to MLGA or Venmo to Martha MLGA.**

1. While golfers may have higher handicaps the maximum index to be used for any MLGA event will be 36.

2. All ties for weekly events will be broken using the recommended USGA tie breaker formula; comparing total scores and if tied, the last nine holes, then the last six holes, then the last three holes, etc.
3. Guests are welcome to play based on availability of weekly tee times. We have a restricted number of tee times and encourage our members to golf with their friends outside of the MLGA schedule. Should there be room for guests, we will limit their participation to twice in one season without becoming a member.
4. The player's index, as noted in GHIN, on the day before the week's scheduled Ladies Day will be used to determine the playing index. Play of the Day Director will provide the percentage of index to be used in weekly Play of the Day games based on USGA /WHS guidelines.
5. Signed scorecards are turned in at the end of play. They are used for Play of Day Winners and for end of season Ringer/Birdie winners. **Your Score will be posted for you!**
6. Thursday results will be emailed the afternoon of Play.
7. Winners will receive club credit in the McCall Pro Shop.

GOLF GENIUS

The MLGA uses USGA Golf Genius software to plan our rounds. You can download the Golf Genius App to your phone or tablet. All members must have a valid email address and access to the GolfGenius website for communication purposes with the club. Each week you will receive an email to invite you to sign up for the next weekly game. Follow the directions and click on either "playing" or "not playing". You will receive a response that says you are registered. The day before play you will receive an email with your assigned foursome and your starting hole. If you have not received an email the evening before play, please contact Eva Prince. 520-591-6242 princetcsn@gmail.com

You will also receive an email to register so you can see everything in the MLGA Golf Genius Portal. Simply follow the instructions in the email. Once you are registered you can go to the Portal and change your playing status if needed. You can also add a picture of yourself on the roster.

The portal will give you all of the MLGA League play results, golfer statistics and payouts. Members can access Golf Genius information through the **website** with their user name and password. (golfgenius.com)

Golf Genius Live Scoring will be utilized for Weekly Play. Use the QR code below to take you to a video of the instructions for entering live scores for your group.

CLUB CHAMPIONSHIP ELIGIBILITY

1. An active USGA handicap;
2. MLGA dues paid by June 1;
3. Participation in at least four (4) sanctioned events.

A sanctioned event is defined as:

- a. At Least Three MLGA Play-of-the-Day
Thursday morning – 18 holes
- b. McCall Ladies Tournaments-Note: only one tournament can be used as a sanctioned event.

The Club Championship will offer a minimum of two (2) divisions from among an Open Division, a Senior Division, and a Super Senior Division based on participation.

The Championship shall be a Medal Tournament. One Gross and One Net Champion will be awarded in each division. Each champion will receive, at the club's expense, a MLGA medallion or a diamond added to an existing medallion owned by the player.

PLAYER GUIDELINES

GOLF ETIQUETTE: Fill all divots with sand and seed; rake sand traps smooth; repair ball marks on greens; do not scuff golf shoes on the green; keep push carts and motorized carts off teeing areas and greens.

PACE OF PLAY GUIDELINES:

A round of golf should be played in 4-4½ hours.

- ❖ Take only one practice swing!
- ❖ Play ready golf!
- ❖ Keep up with the group in front of you; let faster groups play through.
- ❖ Spend no more than 3 minutes total, per hole, looking for lost balls.
- ❖ Always hit a provisional ball if there is any question that a ball may be lost or out of bounds.
- ❖ Park your carts **on the cart path** between the green and the next hole.
- ❖ Putt out when you miss your putt.
- ❖ First player holing out should replace the pin as soon as the last player has finished putting.
- ❖ Do your scoring at the next tee box.

PLAYING FROM THE APPROPRIATE TEES:

MLGA accommodates all players with established handicaps and players are encouraged to utilize the various teeing options on the course. (Gold, Gold/Silver Combo, Silver)

Our goal is to promote playability and a fast pace of play for all. A helpful guide to assist golfers in determining which set of tees is best suited for them is to ***“Take the Distance You Hit Your 5-Iron (hybrid) and multiply it by 36! Distance of 100 gives you an Ideal Course Yardage of 3600. Check your scorecard for the ideal tees for that yardage.”***

A McCall Golf Course player is expected to:

- Act with integrity by following the Rules of Handicapping and refrain from using, or circumventing, the rules for the purpose of gaining an unfair advantage.
- Attempt to make the best score possible at each hole.
- Submit acceptable scores for handicap purposes as soon as possible after the round is completed and before midnight local time.
- Submit acceptable scores to provide reasonable evidence of your demonstrated ability.
 - Play by the Rules of Golf
 - Certify the scores of fellow players (peer review)
 - If you have a concern about a player's posting habits, please bring it to the attention of the Handicap Committee.

SPECIAL AWARDS

MLGA HOLE-IN-ONE CLUB: Each voluntary participant pays \$5. The total of this fund will be dispersed at the end of the season and divided between all members who had a hole-in-one during the MLGA season. (June-August)

BIRDIES & CHIP-INS: Both are recognized and paid out at the End of Season Luncheon. Chip-ins must be recorded inside the Main Floor Ladies' room. Golf Genius will keep track of your Birdies. These awards may be earned during Thursday League Play or McCall Ladies tournaments.

RINGERS: Each voluntary Ringer participant pays \$10 for the season. Prizes are awarded at the end of the season for play-of-the-day flighted lowest gross and net scores.

MOST IMPROVED GOLFER: MLGA awards the member who has improved the most by comparing the index/handicap year over year. This is calculated from Sept 1 to Aug 31 of the following year.

HANDICAP INDEX SYSTEM

The USGA GHIN Handicap Index provides you with a portable measurement of your playing ability that is consistent with how golfers are measured worldwide. Your Handicap Index is calculated by taking an average of the best 8 scores out of your most recent 20 scores.

You can convert your HI (Handicap Index) to a CH (Course Handicap) simply by using the GHIN (Golf Handicap & Information Network) app. Go to "Handicap Calculator", select the golf course and tees you will play, to see your CH. (e.g. A HI of 25.5 will have a CH of 23 when playing McCall Aspen/Birch from the Gold/Silver tees. The CH will be 17 when playing from the Gold Tees.)

Net Double Bogey is the maximum hole score for each player. This is Par + 2 + any handicap strokes (pops) you receive for that hole. (e.g. An 18 handicap gets 1 stroke (pop) on each hole so player can take a maximum score of 7 on a Par 4. This is $4 + 2 + 1 = 7$)

You should always post your scores with GHIN the day you play and we suggest you use the Hole-by-Hole section. This will automatically adjust your score if you exceed your maximum Net Double Bogey on a hole.

MLGA will post your scores after you participate in our Play of the Day. Please post all your scores when you play non-MLGA golf games to maintain a true index.

For more information on Handicap, please contact our MLGA Handicap committee.
