# 2024 FEE UPDATE

As valued members of our golfing community, we greatly appreciate your continued support and enthusiasm for the sport we all love. We want to inform you about some upcoming changes that will enhance your experience at our golf club.

After careful consideration and discussions within our golf committee, we will implement a modest fee increase of 5% across all fees and tournament registrations for the upcoming 2024 season. This increase is vital to ensure that we maintain the high standards of service and facilities that you have come to expect from our club.

We would like to clarify that this fee adjustment will not affect the costs associated with carts and range balls. The fees for these services will remain unchanged, allowing you to continue enjoying these amenities at the same affordable rates.

## FEEES ARE DIRECTED TOWARDS YOUR GOLF EXPERIENCE

Maintain  
Staffing Levels

Teeing Area  
Renovations

Upgrade Practice  
Facilities

Preserve  
Cart Fleet

Enhance  
Operations
